

SUCCESS SNAPSHOT

BY BRON HARRISON

HEY YOU? YEAH YOU!

Success is mostly in the mind.

It is based on your ability to objectively look at:

1. Where you were
2. where you are now
3. Where you are going

... and being confident that there is progress in between these steps.

So to help you along your way,
I have designed a little **SUCCESS SNAPSHOT** for you to fill out and take
to your tutor, mentor, or anyone that helps you progress towards a
bigger, brighter goal.

Come on,

Print 'er off-skie

Grab a pen.

Ya ready?

Let's go!

WHERE YOU WERE:

Who were the key people in my life that helped me achieve my goals?

Who or what were the people or things that held me back from achieving what I wanted?

What are the top three things you are really proud of that you totally smashed?

1.

2.

3.

WHERE ARE YOU NOW?

I consider myself to be a successful person? YES / NO
/ A BIT

Why?

Who are the key people in my life that are going to help me get where I need to go?

Have I done the one thing I need to do to get to my goal today? Whether that's training, practice, reading some notes?

WHERE YOU ARE GOING?

What does success look like for you in the future?

Look at yourself one year older. What are three things that would have changed in your life?

1.

2.

3.

What are your top three bottle necks that are preventing you from getting there quickly that you can chat to your tutor about?

1.

2.

3.

Now take this juice, game-changing info to your tutor who will help you get to where you are going!
